We are required to ask for this information about your child’s race and ethnicity. This information is important, and helps us make sure we are serving our community.

The Federal Education Rights and Privacy Act affirms the rights and privacy of students. You have the right to inspect and review the education records of your child. You also have the right to request that information be amended if you believe it is inaccurate, misleading, or otherwise inappropriate.

Privacy policies and complaints may be reviewed at the school or by contacting the school’s principal.

In accordance with the Federal Education Rights and Privacy Act, your child’s educational records may be inspected and copied. To inspect and copy your child’s educational records, you must make a written request to the school’s principal or designee.

We may disclose education records in response to a request for information from an appropriate school official or for purposes of research, statistics, or evaluation of program or school performance.

Disclosure of education records may be made without consent, as authorized by the Federal Education Rights and Privacy Act, in the following situations:

- For research, statistical, or evaluation purposes
- To parents or guardians
- In connection with a parent/teacher conference
- For a student to whom the education record is official mail
- In cases of abuse or neglect
- In cases of child abuse

We will not disclose your child’s educational records to any organization without your consent, except as required by law.

In accordance with the Federal Education Rights and Privacy Act, your child’s educational records may be released to other schools.

Disclosure of education records may be made without consent, as authorized by the Federal Education Rights and Privacy Act, in the following situations:

- For research, statistical, or evaluation purposes
- To parents or guardians
- In connection with a parent/teacher conference
- For a student to whom the education record is official mail
- In cases of abuse or neglect
- In cases of child abuse

We will not disclose your child’s educational records to any organization without your consent, except as required by law.
